Available Colors

6990-960(0,1,2)

Materials

1.2 mm thick Steel sheets

Colors

Steel

Warranty

Campania provides a limited 3-year warranty for damages occurring during normal product usage. For more information or for warranty claims, please call us at 215-541-4330.

Care and Maintenance

Always place any Campania product on a solid level surface and not directly on grass, soil, or an uneven surface. If a planter is to be left planted over the winter, ensure proper drainage. Avoid collection of standing water in the bottom of the planter which can cause rusting and deterioration. It is recommended that an appropriate sealer is applied to maintain the surface finish and prevent further oxidation. If oxidation does occur, rust may leach onto the ground surface with the potential to stain.

Packaging

Our planters are packaged with 95% recyclable material, including cardboard and 100% reusable natural wood Excelsior.
