

CAMPANIA FOUNTAIN COVERS

- Prolongs the life of your fountain by protecting it through the winter
- One way breathable, lets trapped moisture out, but rain and dust can't come in
- Made of soft flexible Tyvek material, and packaged in its own storage sack
- Does not contain environmentally damaging poly-vinyl chloride (PVC)
- Locking drawstring for a more secure fit
- Four sizes to accommodate our variety of fountains
- Water resistant
- Only available in color shown
